Is the Illuminati turning from toxic "vaccines" to famine as a means to depopulate goyim i.e. "sinners" (believers)?

According to Col. Douglas MacIntre's *"The Coming Famine: Engineered Starvation and the Price of Empire,"*
the evidence is undeniable. We are witnessing the deliberate construction of a global famine that will dwarf
any natural disaster in human history.

The Coming Famine: How war and empire are starving the world

https://www.thetruthseeker.co.uk/?p=328434 (https://www.thetruthseeker.co.uk/?p=328434)

The Houthi blockade of the Red Sea, the destruction of fertilizer plants, the sanctions that prevent shipments of ammonia and urea - all of these fit a pattern that benefits defense contractors while destroying the Global South. India, Bangladesh, Sudan, Yemen and Somalia are already on the brink. When fertilizer supplies are cut off, crop yields fall by 40% to 50% in a single season. That means hundreds of millions of people facing starvation.

Political leaders are all Freemasons. Freemasons hatch world wars for power and profit and to murder non-Satanists.
Communism (Left)-Fascism/Zionism (Right) are two wings of Jewish Freemasonry.
The conflict is a charade designed to destroy Western Civilization.

The truth is our best weapon. **ILLUMINATI4- GENOCIDE & WAR**

THE ROTHSCHILD BANKERS HAVE EMBEDDED SATANISTS (FREEMASONS) ON BOTH SIDES OF EVERY WORLD WAR IN ORDER TO SUBVERT WESTERN CIVILIZATION AND KILL PATRIOTS AND BELIEVERS.

"Citizen Vigilante" is a controversial 2026 action thriller film written and directed by Uwe Boll, starring Armie Hammer.

Released on June 19, 2026, the film marks one of Hammer's first major leading roles following his Hollywood hiatus.

Armie Hammer plays Michael Sanders, a wealthy American businessman living in Croatia who transforms into a brutal vigilante. He targets criminal migrants, rapists, and corrupt officials after a breakdown in the official judicial system.

The film was inspired by a 2016 case in Hamburg, Germany, where a 14-year-old girl was gang-raped by migrants who subsequently received suspended sentences. German regulators refused to grant the film an age rating due to concerns that its extreme violence could incite real-world anti-immigrant violence. This lack of a rating resulted in an effective ban of the movie in Germany. Following the ban, Elon Musk publicly supported the film and posted the entire movie to his X (formerly Twitter) reaching eight million views.

Fellowcraft
SECOND DEGREE
Fellowcraft is a term used by the ancient Guilds of Operative Masons that refers to skilled members of the craft – a literal 'fellow of the craft.' Within Freemasonry, the Fellowcraft references a more advanced search for Masonic wisdom, symbolism, and philosophy. For skilled craftsmen, this masonic degree would have marked a person's progress from an apprentice to a journeyman, which brings with it increased responsibility, learning, and work. Once completed, the candidate may advance to the third and final degree.

Patrick O'Carroll--HOW THE ORTHODOX CHURCH SUPPORTED THE OVERTHROW OF THE RUSSIAN MONARCHY:

On 15 Mar 1917 (by the Western Gregorian Calendar), Czar Nicholas II abdicated the throne, and Russia was proclaimed a republic.

https://tsarnicholas.org/2020/03/08/how-the-orthodox-church-supported-the-overthrow-of-the-monarchy/ (https://tsarnicholas.org/2020/03/08/how-the-orthodox-church-supported-the-overthrow-of-the-monarchy/)

Before this, the Russian Empire and the Russian Orthodox Church had long been a single church-state body, headed by the Czar. In 1721, Czar Peter the Great established Russia as a THEOCRACY under the Most Holy Governing Synod, and the Governing Senate was subordinate to this Synod. Apart from the Czar, the most powerful man in Russia held the title of the Czar's Chief Procurator of the Holy Synod.

Essentially, after the abdication of Czar Nicholas II on 15 March 1917, the Holy Synod overthrew czarist power as its "charismatic competitor". Although it sounds paradoxical, the Russian Orthodox Church actually managed to restore of the Patriarchy and the Patriarchate in March 1917. Later, Orthodoxy became subordinate to Russia's Bolshevik-Zionist Regime.

Out of more than 80,000 religious buildings existing in 1917, historians estimate that over 40,000 churches were blown up or completely demolished, while tens of thousands of others were repurposed into warehouses, prisons, livestock-barns, or factories. By an "amazing" "coincidence", Russia's Bolshevik-Zionist Regime did not shutter many synagogues because it was ultimately "guided" by the satanic Talmud.

Canada's Liberal Party Always Has Been Communist

(Left, Pierre Elliot Trudeau with Justin's father)

Justin Trudeau's father was actually Fidel Castro.

(https://www.winterwatch.net/2020/01/was-fidel-castro-justin-trudeaus-daddy/) In 1968, Russian defector Igor Gouzenko warned that his faux father, Pierre Elliot Trudeau "would become another Castro and turn Canada into another Cuba." Mark Carney is finishing the job.

Fidelito's cuckold "father" Pierre Elliot Trudeau (https://en.wikipedia.org/wiki/Pierre_Trudeau) (1919-2000) was Canadian Prime Minister from 1968-1979 and 1980-1984. His file was destroyed because he was a Communist (Illuminati) agent. Most "leaders" are Freemasons. The goal of Freemasonry (https://www.henrymakow.com/000280.html) is Rothschild (Cabalist Jewish, i.e. Satanic) world tyranny, i.e. Communism or "globalism." Communism is monopoly (i.e. banker controlled) capitalism. Trudeau took the first steps toward normalizing homosexuality and making European Canadians a minority, i.e. "multiculturalism." Castro's son followed in his faux father's footsteps.

Steve Hewitt, a senior lecturer at the University of Birmingham slammed CSIS for sending the prime minister's file "down an Orwellian memory hole". He called the purging of the file "a crime against Canadian history" (https://sputniknews.com/us/201906161075897497-canadian-intelligence-file-justin-trudeau-father/?utm_source=https://t.co/5jxAMeJOS8&utm_medium=short_url&utm_content=mEJa&utm_campaign=URL_sho and said that such actions are "expected of an authoritarian state and not a proper democracy".

Pierre Elliot Trudeau Was Also a Commie Traitor
from April 2024

by Henry Makow PhD

A file on former Prime Minister Pierre Trudeau, compiled by the country's then spy agency, Royal Canadian Mounted Police (RCMP) Security Service, was destroyed back in 1989 and has not ended up in the national archives as it should be.

(Signalling his loyalty to Satan)

The file would have become available to the public in September next year on the 20th anniversary of his death. CSIS, (Canadian Security & Intelligence Service) claimed the files for Trudeau, and former Prime Ministers Lester Pearson and John Diefenbaker were destroyed in the interests of "privacy" and because the RCMP had been "too zealous" in the cold war environment. All three Prime Ministers were Freemasons. All intelligence agencies work for the Rothschilds, not the national governments who fund them.

Steve Hewitt, a senior lecturer at the University of Birmingham slammed CSIS for sending the prime minister's file "down an Orwellian memory hole". He called the purging of the file "a crime against Canadian history" (https://sputniknews.com/us/201906161075897497-canadian-intelligence-file-justin-trudeau-father/?utm_source=https://t.co/5jxAMeJOS8&utm_medium=short_url&utm_content=mEJa&utm_campai and said that such actions are "expected of an authoritarian state and not a proper democracy".

However, the FBI file was made public ten years ago (https://www.ctvnews.ca/canada/csis-destroyed-secret-file-on-pierre-trudeau-stunning-historians-1.4468120) and revealed consistent advocacy of Communist causes and cavorting with Communist leaders.

IGOR GOUZENKO

In 1968, on the eve of Pierre Elliot Trudeau's ascent to the Liberal leadership, Igor Gouzenko (https://www.google.com/url?sa=t&rct=j&q=&esrc=s&source=web&cd=27&cad=rja&uact=8&ved=2ahUKEwiK8IDCgYDjAhWYB50JHZkgBZ4C (1919-1982) released a dossier (https://www.4shared.com/office/MUDqXBJhda/Gouzenko_Memo.html) arguing that PET was a dangerous Communist.

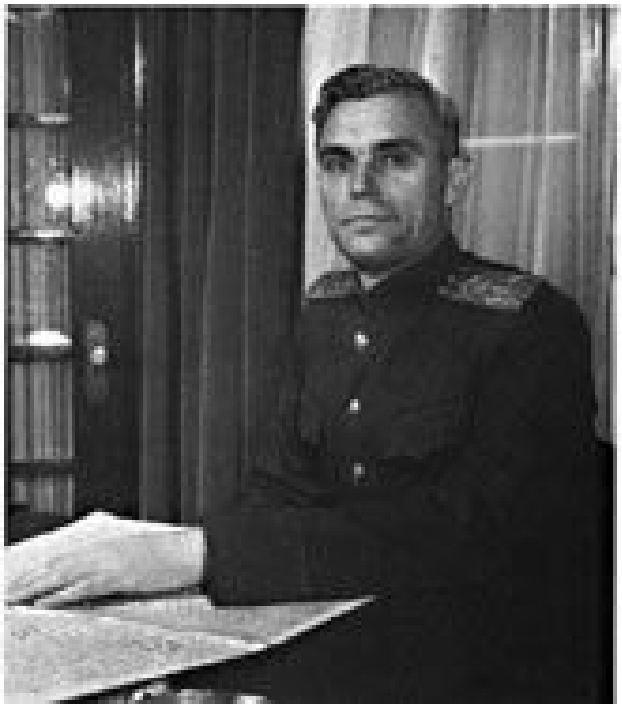
Igor Sergeyevich Gouzenko was a cypher clerk for the Soviet embassy to Canada in Ottawa, Ontario. He defected on 5 September 1945, three days after the end of World War II, with 109 documents detailing the USSR's espionage activities in the West.

This proved a great embarrassment since the leaders of the West were all secret Communists (Freemasons). The man who mentored PET into power, Canadian Prime Minister Lester Pearson had been exposed by KGB defector Elizabeth Bentley as a Russian asset. (https://www.henrymakow.com/001329.html)

The globalist traitors decided to take a lemon and make lemonade. They used Gouzenko's revelations to kick start the bogus "Cold War."

Living in hiding, Gouzenko warned (https://www.4shared.com/office/MUDqXBJhda/Gouzenko_Memo.html) that Trudeau would become another Castro and turn Canada into another Cuba. **He reminded Canadians that despite being Justice Minister, PET had been barred from the US as a Communist**. He said PET's ideas were borrowed from Mao and Lenin. His academic writings were all pro-Communist. He threatened to withhold nickel from the US because of the Vietnam War.

PET had behaved in suspicious ways as a young man. He attended conferences at the Kremlin, traveled to Vietnam during the Vietnam war and was actually apprehended by the US Coast Guard trying to row a boat to Cuba before the Bay of Pigs.



Gouzenko also focused on PET's mentor, Prime Minister Lester Pearson. Pearson wouldn't let the FBI interview Gouzenko. He appointed the homosexual Robert Bryce Deputy Minister of Finance. In this position, Bryce scrapped the CBC's International service that was beamed to the USSR. Bryce had been part of a Communist study group in Washington DC.

JUSTINE CASTREAU

The Illuminati are sexual deviants. They abuse their own children as part of the brainwashing process. There is a suggestion that this happened to Justine.

In her book, *TRANCE-FORMATION OF AMERICA* (1995) MK-ULTRA survivor Cathy O'Brien stated that many world leaders, including Pierre Trudeau and Brian Mulroney, are pedophiles. She met them in the course of her life as a sex slave trained (with her young daughter) to service high-profile politicians. Other sources support Cathy O'Brien's allegations.

(Margaret Trudeau's face says it all)

Pierre's 1968 marriage to Margaret was "arranged" by the military.

(https://www.henrymakow.com/2018/03/Justin-Trueau-bio.html) The couple was programmed with LSD at a remote farm in British Columbia.
This might explain why Margaret was passed around to Fidel Castro.

Justine's eulogy on his father's death caused a scandal and many parodies. (https://www.cnn.com/2016/11/27/world/justin-trudeau-castro-eulogy-parody/index.html)

Justine praised his dad for "serving his people" overlooking the fact Castro murdered an estimated 140,000 people (https://www.investors.com/politics/editorials/the-fidel-castro-myth-debunked-the-death-of-a-tyrant-not-a-hero/) and reduced his country to police state bondage and squalor. Castro was a billionaire while doctors earned pennies working for their "comrades." Havana is a crumbling time-capsule from 1958. (https://www.henrymakow.com/2016/04/Cuba-is-a-model-for-the-NWO.html)

In a suicide note, Castro's son Fidelito said Justine was his half-brother (https://nyulocal.com/new-world-university-justin-trudeau-is-fidel-castros-son-bccf01403a86) , and complained that Fidel compared him unfavorably. Fidelito had a half-dozen other half-brothers and sisters.

If it looks like a duck, and walks and talks like a duck, it's a duck.

CONCLUSION

Mankind is held captive by a satanic cult, the Illuminati, based on Cabalist Judaism. Their aim is to enslave and exploit society by corrupting and degrading it. This is the logic behind endless wars, growing wealth disparity, gratuitous migration and mainstreaming gender and sexual dysphoria. Their main instruments are Freemasonry and Organized Judaism. They control all major social institutions, especially government, media, education, the legal system, corporations, religion.

Thank you Government for protecting me from a flu by completely destroying my livliehood, my job, my income, my marriage, my family, my health, my freedoms and liberties!
CORONA VIRUS LOCK DOWN
Thanks a lot !

The mainspring of their power is the central banking system. "Money" is a mental concept that only becomes real when translated into a product or service. They create it out of nothing as *a debt to themselves* with the backing of their shills in government. I suspect that we, our families and property are collateral.

There are billions of transactions every day. All that changes is the digits on a ledger. They keep this ledger and are capable of erasing it at any time.

Money is the bloodstream of society. Little to nothing happens without it. Think of central banking as the heart (a pump.) The Rothschilds are Cabalists. They wish to leverage this credit monopoly to include ***every aspect of the body politic,*** including the mind, spirit and gender identity. This is Communism. (https://www.henrymakow.com/what_is_communism.html) This is the NWO. This is Satanic Possession. (https://www.henrymakow.com/ten_signs_we_are_satanically_p.html)

It's not a "conspiracy theory."

It is taking place before our eyes. (https://www.henrymakow.com/2019/04/Ten-Ways-We-Are-Enslaved%20.html) The fate of humanity is at stake.

I don't want to imply anything in particular, but it's a point of historical interest that the basis of the Trudeau family fortune derived from the sale by Pierre Elliott Trudeau's enterprising father, Charles, of his 30 Quebec-based garages to Imperial Oil in 1932 for $1.2 million. At the time Imperial Oil was majority-owned by the Rockefeller Standard Oil group in the United States.

JG said (June 24, 2019):

John F. Kennedy in his "secret society" speech warned of a group of people who's plans were to enslave humanity but did not name exactly who they were. JFK and Richard Nixon were both strong anti Communists. One was assassinated and the other one was forced out of office.

Canada maybe had it's best years when French Canada had it's sovereignty from English Canada but was also united under the flag of Canada at the same time. They were proud to be Frech but also proud to be a Canadian. It's sad but you don't hear the label French Canadian much anymore. Their identity has been lost in the multicultural shuffle.

It seems that the pro Communist leaders are the ones who stay in office the longest. Trudeau and Castro both had long runs in office. And, FDR was the only 4 term US President in history.
President Trump has been called a lot of things but being pro Communist is not one them. And, they are trying to run him out of office like all the others.

June 25 - Mamdani Establishes US Communism

Communism and Zionism (Fascism) are the Left and Right wings of Jewish Freemasonry.
Zionism is false opposition.
Donald Trump assures Communists (Democrats) of a massive victory in the next elections.

Like Barrack Obama, Zohran Mamdani is a Trojan Horse for George Soros.
His candidates won recent elections in NYC prompting observers to crown him "Kingmaker."

Americans will reject AIPAC candidates only to get Soros-backed candidates which amounts to the same thing.

Transcript of the YouTube Short "Zohran Mamdani King Maker":

"Zohran Mamdani is a kingmaker. He's not just a politician who wins for himself. He's a politician whose endorsement carries so much weight that voters listen when he speaks. And last night proved that. Every single candidate that he endorsed won. Not some of them, all of them. This is a something of a political earthquake.

NBC News projects that in the 13th Congressional District of New York, challenger Darlene Lisa Avila Chevalier has defeated five-term incumbent Adriano Espaillat. That is a 100% success rate and he's only been in office for 6 months. Now, that's almost never heard of in politics. Even political giants like Donald Trump, Ronald Reagan, and even Barack Obama have seen endorsed candidates lose races. That's just the nature of politics. Nobody wins 100% of the time, but now Mamdani does.

What's even more symbolic is not just the endorsements, it's the reshaping of the Democratic Party in New York City. This isn't just one politician, this is a movement. This is a coalition of renters, laborers, union organizers proving that they can shape the electorate of New York City. And if Mamdani can take his influence outside of New York City, we're not just looking at a political movement, we're looking at a political era. And that is real influence."

That plan - currently making its way through Congress as a part of the annual National Defense Authorization Act (NDAA) - is being sold as "business as usual"; nothing to see here, just continued cooperation between two technologically advanced militaries.

In my experience in over a decade in the arms transfer section of the State Department, giving access to America's most sensitive defense technologies is never business as usual. So, how to think about this proposal?"

On August 26, 2014, Israel's Minister of Health, Yael German, officially signed the end of water fluoridation across the entire country. Israel had started the program in 1981, made it mandatory in 2002 (reaching about 75% of the population with concentrations of 0.7 to 1.2 ppm), and kept it until 2014. The decision was based on ethical arguments ("do not mass-medicate the population without consent"), health risk concerns (pregnant women, elderly, thyroid problems), and inefficiency (only about 1% of the water is consumed as drinking water). Since then, Israeli water -- largely desalinated -- has received no artificial fluoride addition. Later attempts to reintroduce it failed due to budget and political issues.

Meanwhile, in 2022/2023: USA: ~62.8-72.3% of the population on community systems receives fluoridated water (CDC data).

Canada, Australia, New Zealand, Chile, Ireland: high percentages (many above 50-70%).

Continental Europe: 97-98% not fluoridated (they prefer fluoridated salt or milk).

The structure and method of the Gulag in these three decades were largely established by the following four Jews

Data centers are portrayed as critical infrastructure for a future "biodigital" world where:

Biology and digital tech converge: Nanobots, molecular communication networks, DNA data storage, and bio-sensors inside human bodies connect to external 6G networks.

Humans become part of the network: Bodies act as "antennas" or nodes in an Internet of Everything (IoE), enabling real-time monitoring, health interventions, genome control, and surveillance via integrated sensing and communication (ISAC). This ties into official documents

The creator urges viewers to "THINK DATA CENTRES!" as the backbone for biobanking, DNA databases, CRISPR-style human editing, and a global bioeconomy--framed as a top-down "Global Revolution" involving governments, Israel Innovation Authority, EU, US, China, etc., leading to UN-ITU IMT-2030 6G goals.

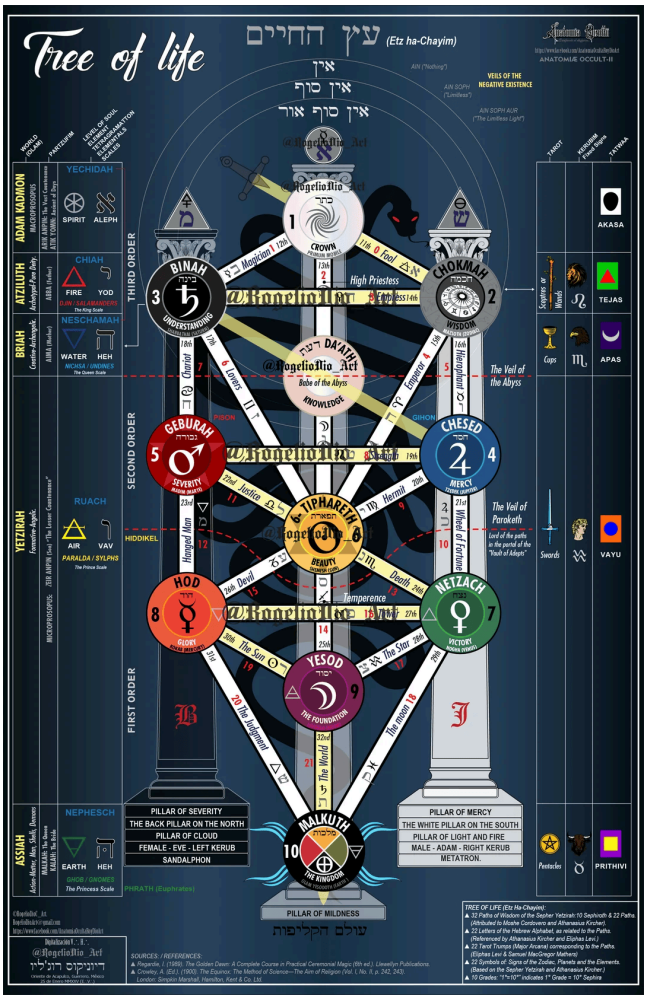
Brother Nathaniel - Hell Is Heaven For Jews

June 24, 2026



Brother Nathaniel's shocking description of the Kabbalah confirms that the "Jewish Conspiracy" is deliberate, pervasive and real.
The *Protocols of Zion* are authentic.
We are controlled by a Satanic cult.
Most of our political and cultural leaders are related to it through Freemasonry.
Read this to understand why Israel is at war with mankind. Covid hoax. War, Porn. You name it.
Organized Jewry has waged a covert war against Western civilization for centuries.

Most Western Jews have no idea what is being done in their name.
Although they will suffer the consequences, they don't want to know.
In *The Secret Jews*, (1973) a book about the Marranos, Rabbi Joachim Prinz remarked on the "apparent inability of Jews to understand or predict their own catastrophes. The

Jews, whose history consists of one tragedy after another, has yet to be prepared for any one of them."

Brother Nathaniel: "The final sephirot of Kabbalah is "Keter." This is about all is oneness. Pain is pleasure, evil is good, darkness is light, bitter is sweet. By Brother Nathaniel
(henrymakow.com)

I grew up in Jewry and as a young adult studied with Chabad rabbis skilled in mystic rites called Kabbalah.

Now Kabbalah is arranged around ten emanations called "sephirot."

Ten "stations" of the "structure of the universe" that the initiate "passes" through are sephirot.

These "sephirot" are the basis of the ancient mystery schools based on Kabbalah.

In Kabbalah, is a secret taught and experienced in each sephirot allowing the Jew to gain advantage over the goy.

(Left, Brother Nathaniel)

In Sepharot "Yesod" the Jew is taught that the devil is an illusion. That gives the Jew cart blanche to do evil because there's no punishment.

In Sepharot "Hod" the Jew is taught "My will be done" not "Thy will be done." That prioritizes the Jew's own selfish will over any kind of divine guidance.

In "Netzah" the Jew is given the key to seducing goys with material temptations, thus gaining victory over them.In "Tifareth" there is a mirror to adapt to circumstances mimicking other situations to hide in. Like "perpetual victim?"

One step up is "Gevura' communicating that Man is God. No longer does the Jew have to obey anyone but himself, not even God.

In "Chesed," sodomy begins, preferably with young boys, and sexual fluids and drugs are inserted into the anus of the initiate to bring about visions of hell. The seizing of the initiate as an instrument in the hands of evil is now almost complete.But first the initiate must undergo a kind of death, the opposite of being Born Again, into "Binah," to free him of the confines of knowledge and reason. His entire view of the world is now broken apart.

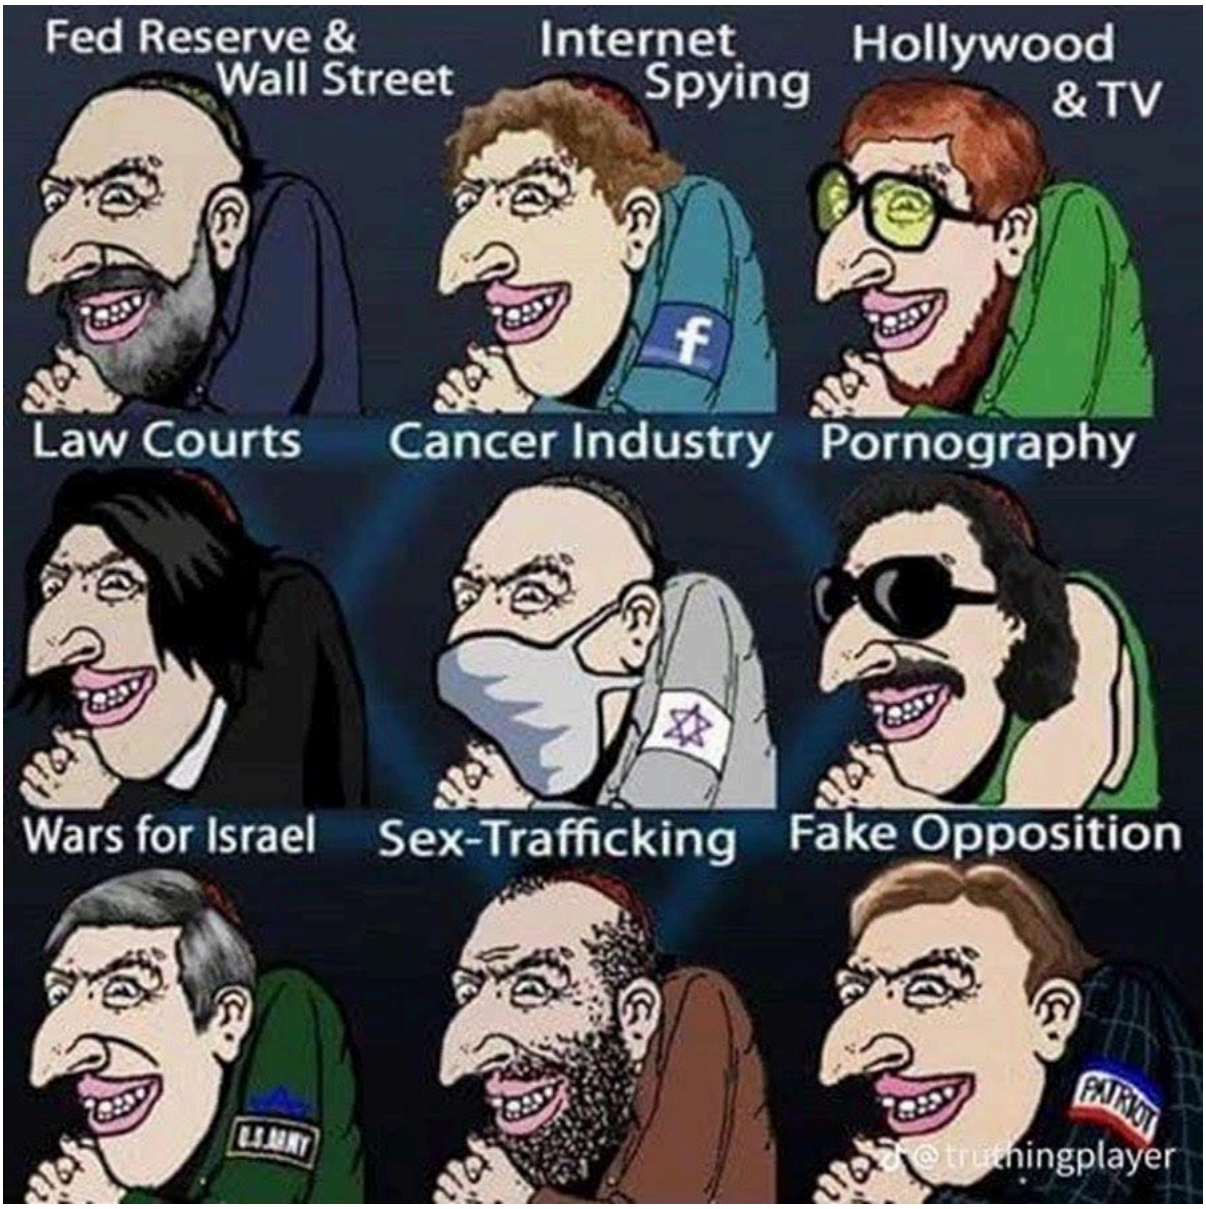
With the intention that he realizes that there is no such thing as truth, only the brainwashed believe in Truth, and that his "truth" is whatever the initiate deceives the Goy into believing.

(Gentiles are catching on.) (https://youtube.com/shorts/XgfoaT8P284?si=RRfvgtOqB7uBHQD5)

The Jew becomes one with the spirit that he called up, which is the spirit of doubt, just like the serpent instilled into Eve. Thus you have, as in the contemporary book, *"The Culture Of Critique,"* of the Jew infusing "doubt" into widely held traditional beliefs. Doubting everything, the Jew becomes a force of destruction, tearing down everything, especially faith.

Finally, we get to "Chokmah," a place very, very few ever reach, where the initiate Jew is taught that "in the beginning" was the true demon, the True Jew, created to infuse deception and doubt. The Jew embodies the devil himself, and is transformed into an angel of light.

They paint the image of a utopia or heaven, and a means to achieve it, that the masses will hand over everything to the mystery Jew.



The final sephirot of Kabbalah is "Keter." This is about all is oneness. Pain is pleasure, evil is good, darkness is light, bitter is sweet. Everything is upside down.The teachings of the Jew show us that their light is our darkness. Their good is our evil. That ultimately, unequivocally, the anti-Christ is the Jew.

Bernard Baruch - Presidential Puppeteer

In 1953, Bernard Baruch was pictured with his two "obedient schoolchildren", Churchill and Eisenhower.

**Jewish financier Bernard Baruch controlled US culture and politics throughout the mid-twentieth century
on behalf of the Rothschild banking cartel.**

**By Patrick O'Carroll
(henrymakow.com)**

Bernard Baruch (1870-1965) served as the very TEMPLATE for how the Zionists took control of all "advanced" nations after about 1890.

Thus, Zionist AIPAC, the British "friends of genocide" groups (CFI, LFI, RFI), and the WEF's "young" Euro leaders all used Baruch as their template for controlling the major puppeticians of every "advanced" nation.

During WW2, the Nazis slurred the US Regime as "the Rosenfeld-Morgenthau-Baruch Triumvirate", thus stressing Germany's astute awareness that, behind the scenes, Baruch was one of the LEADING UNSEEN RULERS of the USA, and also that FDR (whom they mocked as "Rosenfeld") was a crypto-Jew.

THE LONG LIST OF BARUCH'S PUPPETS

#1 WINSTON CHURCHILL

In his book "*The Last Lion",* William Manchester revealed that Baruch "bought" Churchill by covering all his stock-trading losses on Black Thursday, 24 Oct 1929. From circa 1935 on, and jointly with Victor Rothschild (his top Zionist ally), Baruch controlled the "Focus Group", which defined Churchill's anti-appeasement stance, and installed him as GB prime-minister on 10 May 1940. The top Zionist conspirators of the "Focus Group" were Bernard Baruch, Victor Rothschild, Henry Strakosch, Frederick Lindemann, Robert Waley-Cohen ... The "Focus Group" foiled MANY worthy attempts to prevent and reverse WW2.

#2 ADOLF HITLER (ZIONAZI MI6 AGENT)

Through his immediate allies Max Warburg and Victor Rothschild, Bernard Baruch was the indirect Zionist handler of Adolf Hitler, who played the leading role in helping the Zionists to establish the State of Israel in 1948 and to genocide 35 million Ethnic-German Civilians in 1939-55 (4 million during WW2, and 31 million in 1945-55).

#3 WOODROW WILSON

In 1910, Bernard Baruch started building up his lackey and puppet Woodrow Wilson so as to make him US puppetician-in-chief in 1913-21. This was a resounding "success", but Baruch also exacted a PRICE.

In 1917, Baruch ordered his lackey Woodrow Wilson to appoint him as head of the War Industries Board (WIB). In this capacity, Baruch robbed hundreds of millions of USD dollars (in 1917-18 terms) from US taxpayers for military "supplies" that were never delivered to the front. Baruch's DC clout ensured all "investigations" led to no arrests.

At the 1919 Paris "peace" conference, Baruch ordered his lackey Woodrow Wilson to propose a new Zionist world regime in the form of the League of Nations but, fortunately, the US Senate rejected it.

#4 GENERAL DWIGHT DAVID EISENHOWER & CO

In 1925-35, Eisenhower was a frequent guest at Baruch's version of "Epstein Island" in Hobcaw Barony SC.

Baruch arranged Eisenhower's meteoric rise in 1941-43, when he advanced from a relatively obscure lieutenant-colonel to a four-star general in just 23 months. Baruch's main post-WW2 goal (in 1945-55) was to genocide 31 million ethnic-German Civilians by starvation, and by simply murdering 1.5 million surrendered German POWs (civilians) in the Rhine Meadow Camps ("RheinWiesenLager").

Eisenhower impressed Baruch even more by picking General Omar Bradley (another of Baruch's puppets) to command the US First Army during the D-Day Invasion. Yet another puppet of Baruch's was General George Catlett Marshall, who enforced Baruch's "Marshall Plan".

Later, Baruch made the inept puppetician Eisenhower the US "president" and also even made his deceitful 1948 book *"Crusade in Europe"* a bestseller, in which he "forgot" to even mention his genocide of German Civilians.
.

#5 GENERAL WILLIAM "WILD BILL" DONOVAN

Originally, Bernard Baruch knew General William "Wild Bill" Donovan from Columbia Law School.

Baruch ordered the assassination of General George Patton, which Donovan's OSS carried out on 21 Dec 1945 in classic mafia-style for Baruch, Donovan's handler, boss, and owner.

Baruch gauged Patton to be far too dangerous because Patton was prominent and was also speaking out against the Zionist genocide of German Civilians. Patton was also "president material" who could well foil Baruch's worst-laid plans to stage the "cold" "war".

#6 FRANKLIN DELANO ROOSEVELT

FDR was a frequent visitor to Baruch's SC estate (and hence yet another Baruch puppet). Baruch influenced FDR's "New" Deal by sending him his other lackey, Felix Frankfurter, to define the entire "New" Deal policy. Also, Baruch made his lackey Henry Morgenthau Jr the secretary of the treasury in FDR's regime, so Morgenthau oversaw the financing of the "New" Deal. Morgenthau and Frankfurter paid many visits to Baruch's SC estate.

#7 DIRTY-HARRY TRUMAN

Baruch was a heavy contributor to Truman's 1940 senate campaign and also ordered Truman to recognize the wholly-illegal Antichrist State of Israel in 1948. But Truman demanded a "cash suitcase" bribe for this (2 million USD paid by the "holy" rabbi Abraham Feinberg, as confirmed by JFK's brother-in-law Stephen Edward Smith).

#8 HAROLD MACMILLAN AND ANTHONY EDEN

Anthony Eden and Harold Macmillan were Britain's Rothschild-Tory prime-ministers in 1955-57 and 1957-63, respectively. Bernard Baruch had made them his puppets from "within the family" because both had previously worked for Baruch's other puppet, Winston Churchill. Also, Eden, Macmillan, and Baruch were frequent attendees of Churchill's dinners, luncheons, social gatherings, parties. "It is all ONE BIG CLUB (... and you ain't in it ...)!"

#9 JAMES FORRESTAL

Bernard Baruch made James Forrestal his lackey when Forrestal worked for the bankster firm Dillon, Read & Co. During WW2, Baruch and Forrestal worked together in DC, wielding strong control over US industrial mobilization and military procurement. Baruch made Forrestal Undersecretary of the Navy and later secretary of "defense".

But later, in 1948, Forrestal opposed the Antichrist State of Israel, so Baruch forced him into premature retirement. Bernard Baruch is still viewed as the prime suspect in ordering James Forrestal's assassination in May 1949.

#10 ALL THE TOP ZIONAZIS

All the top ZioNazis of the twentieth century were puppets owned and controlled by Baruch. In all honesty, it was really Bernard Baruch and the Zionist House of Rothschild who jointly MADE the Antichrist State of Israel. Baruch's puppets included: Chaim Weizmann, Felix Frankfurter, David Grün ("David ben Gurion"), Golda Mabovitch ("Golda Meir"), Samuel Untermyer, Henry Morgenthau Jr, Louis Dembitz Brandeis, etc.

BARUCH'S TOP SIX MACHINATIONS

- Together with his lackey Samuel Untermyer, Baruch launched WW2 in 1933, when they jointly authored the headline "*Judea Declares War On Germany"* and inserted it in London's Daily Express on 24 Mar 1933.

- Jointly, Bernard Baruch and Victor Rothschild were the co-inventors of the wholly-staged "cold" "war", by which the Synagogue of Satan made yet another fortune, from untested weapons that they always knew would never be deployed (since Victor Rothschild oversaw both "sides" of this "war" in 1945-90).

- Baruch was one of the top Zionists who ordered the genocide of 35 million Ethnic-German Civilians in 1939-55 (4 million in 1939-45, and 31 million in 1945-55, or post-WW2). In 1944, Baruch backed the Morgenthau Plan to genocide 9 million Ethnic-German Civilians by starvation; this "succeeded" in 1945-50 under JCS1067.

- Baruch made all the following a part of the US Department of Offense (DOD): Hollywood; tell-lie-vision; "stars"; newspaper columnists like Walter Winchell. Bernard Baruch had colossal influence over Hollywood, primarily through his nephew, Donald Edward Baruch, who was the DOD's dictatorial "liaison" to the entire US movie industry in 1949-89.

- Baruch had a huge influence in financing the launch and success of the criminal conspiracy called the Scofield Reference "Bible". Baruch's lackey Samuel Untermeyer introduced its frontman, Cyrus Ingerson Scofield (a "Judeo-Anglican" (Episcopal) clergyman) to numerous Zionist and socialist leaders who financed his Oxford "research". These included Samuel Gompers, Fiorello LaGuardia, Abraham Straus, and Jacob Schiff.

- Carroll Quigley identified Kabbalist banksters Bernard Baruch and Alexander Sachs as the two ringleaders behind the concept of the UN "Security" Council. Of course, these banksters favored this council because they knew well that THEY already controlled all five of its proposed members (US, GB, RU, FR, CN).

Great stuff. Bernard Baruch was part of my consciousness since childhood. My parents bought the Journal American and he was often referred to. I never quite understood who he was and what he did but he was ubiquitous. An eminence gris. Now we know and once more we learn that our heroes weren't heroes, they were puppets. 2. The Illuminati have undermined heterosexual reproduction in order to replace us with robots. Feminism = depopulation.

3. Generally speaking, female self esteem depends on their value to men. Feminism convinced them that men are the enemy and families are "oppressive."

4. Wives and mothers are loved because of the sacrifices they make for their husbands and children. Do modern women think sex can replace that?

Updated from Jan 2, 2025

by Henry Makow Ph.D.

Considering that our most powerful instinct is also our stupidest, the Illuminati promoted sex addiction to conquer us.

Under the Christian dispensation, marriage was a condition for sex. This provided enormous incentive for men to actually get to know a woman as a life partner, and mother of his children. It ensured that women cultivate qualities that made them attractive as wives and mothers. They had an important social role as wife and mother. Their love and devotion is why we cherish them.

Using feminism, the Illuminati disparaged and shamed women who were homemakers. It taught them to reject the traditional job and seek career and independence instead.
Heterosexuality is based on women entrusting their power to their husbands. Thanks to feminism, they competed and challenged men.

Modern women are out of a job. Many market their sex appeal, like strippers. They are not marriage material and men are walking away.
A woman's specialness was based on marriage and motherhood. They rejected that and find themselves alone.

Marriage today is suicide unless a man wants a family and has found a woman who makes it her first priority.

After money, sex is the religion of our satanic society. People think the key to happiness is "a relationship." This is a recipe for disaster.
People, your soul is your soul mate, not another person. Love is a love of perfection (God, the ideal you) not other people. *The person you're looking for is you!*

Sex is merely a bodily function. We give it whatever meaning it has. Ideally sexual intercourse is an expression of love.

I want a perfect soulmate.
That will cost you an arm and a leg.
What can I get for a rib?
Well, for just a rib you get an unstable, illogical, attention seeking, personality disordered nutter.....

PROCREATION

Unconsciously, sexual attraction is all about procreation. Men are attracted to nice breasts because they feed babies. But a baby is usually the last thing on their minds.

Women on the other hand are looking for a provider.

The act of procreation is sacred. We are simulating the Act of Creation. even if we practice contraception.

We are surrogates of God. Ideally, a man plants his seed and regards the child as his natural extension. He sustains both mother and child and prepares the child to take his place in the world. This sacrifice makes him a man. Our children are our legacy.

Sexual intercourse is the most intimate physical act. It is degrading and dehumanizing if it is not an expression of love.

Sexual intercourse is an act of possession. If a man takes possession of a woman and then tosses her away like a Kleenex, the psychological effect on the woman is devastating.

Yet most men (and women) are more than willing to let the Illuminati degrade this sacred act to the level of titillation.

ABORTIONS

There were 50 million abortions in the US (https://en.wikipedia.org/wiki/Abortion_statistics_in_the_United_States) since 1970. Twenty million worldwide (http://www.numberofabortions.com/) this year alone.

But do these possibilities even enter a man's mind?

No. Seed planted. Job over. Goodbye. Talk about stupid.

What could be dumber than using another human being for selfish sensual gratification when a towel would do?

IN THE PAST

Under the Christian dispensation, the culture recognized that sexual attraction is really about procreation. **Men generally are not attracted to women who are not fertile.** The culture sensibly linked sex to procreation by insisting on marriage. If a man wanted the milk, he had to buy the cow. This way, if sex had its intended consequence, there would be a structure to care for it.

"Love and marriage...go together like a horse and carriage" was a popular song at the time.

Sex was a sacrament, the symbol of a sacred bond between man and woman. Men and women "made love." They expressed their feelings by giving pleasure (https://www.henrymakow.com/2016/09/a-return-to-manking.html) . It wasn't masturbation with a stranger.

Thinking of sex in these terms meant other women become off-limits. Men could overcome their sex addiction and focus on more fulfilling things. When a couple establishes a spiritual bond, it doesn't matter that sex appeal fades over time.

But upon entering the Satanist (Masonic) dispensation, things have gone off the rails. The act of procreation was transformed from a sacrament of marriage into sensual indulgence, a carnival ride. Sex has become a lifelong sexual addiction, an end in itself, and the more the better.

The irony is that most people are not looking for just sexual gratification. Most people seek companionship and intimacy and support in marriage.

MINDLESS SEX

Hence, the stupidity of mindless sexual attraction is on full display.

Let me count the ways.

1. Love is blind. By love, I mean lust. We are sexually attracted to people who otherwise we often cannot stand. Because sex has been detached from marriage and procreation, we do not consider a woman's personality and fitness as a wife and mother.
These considerations go out the window: character, personality, intelligence, skills, and talent. Men are not looking for a wife, but for momentary diversion and release.

(At sea for weeks at a time, mostly male Canadian navy crews are encouraged to embrace sodomy (https://www.lifesitenews.com/news/canadas-navy-commander-directs-sailors-to-attend-pride-parades-in-uniform?utm_source=LifeSiteNews.com&utm_campaign=7f225281b8-Daily%2520Headlines%2520-%2520U.S.&utm_medium=email&utm_term=0_12387f0e3e-7f225281b8-400674377) .)

2. The Illuminati use sexual attraction to create chaos and control us. They prefer that we obsess about sex rather than on their credit monopoly and permanent wars. Heterosexual society is the

victim of a massive behavior modification program. We are taught to behave like homosexuals who generally indulge in sex for its own sake in their thankless quest for a facsimile of intimacy. Homosexuals generally don't bond and don't want to marry. (https://www.lifesitenews.com/blogs/two-years-after-obergefell-ruling-polls-show-demand-for-gay-marriage-a-myth)

Homosexuality is caused by gender confusion due to an overbearing mother, absent father or same-sex molestation. The Illuminati are reengineering healthy heterosexuals to question our gender identity and behave like homosexuals.

Normalizing pedophilia is next. They are sexualizing children in public schools. After that, incest and bestiality. There is no depravity our Satanist masters won't indulge because they indulge in them all. Necrophilia for example. Some people are in love with inanimate objects. (http://www.therichest.com/rich-list/10-people-who-are-in-love-with-inanimate-objects/)

3. "Free love" is disastrous for women who get *nothing* in exchange. How is giving away their most important asset empowering? After 35, their sex appeal is in steep decline. Women want the lifelong love and dedication of one man, their husband. They need to marry when they are young and attractive. For their own sake, they need to reserve sex for courtship, love, and marriage.

4. Men and women seem incapable of governing sexual attraction. It wasn't until I arrived at a ripe old age that I was able to appreciate that appearance (sex attraction) bears no relationship to character, personality, and intelligence. Women especially have been objectified. Hollywood has put them on a pedestal. But women are very complex creations, not sperm receptacles.

5. Dare we admit it? This thing we are conditioned to obsess about, anonymous sex, is *not that great.* Sex without love is a sad exercise. They've convinced us we want sex when we're really looking for much more.

6. Women were able to convince men to shoulder the burden of fatherhood by loving them. Love is a woman's stock in trade. But feminism (Communism) has convinced them that men who protected and provided their families for centuries were oppressing them. Being a homemaker was oppression. Women can't love men and must rely on sex to attract them.

CONCLUSION

Joseph Daniel (J.D.) Unwin was an Oxford University social anthropologist whose research on 80 primitive tribes and six civilizations demonstrated that societies that practised heterosexual monogamy (https://www.henrymakow.com/2017/01/Sexual-Profligacy-Dooms-Society.html) were far more successful. Let's face it. Society needs to replace itself and nature has deemed that the heterosexual family is the most effective way to do this.

(Only two genders. Nuclear family. Good for nature but not for Satanists who overrule God and nature)

Satanists know this. That's why they promote "sexual liberation" (promiscuity, porn) and gender confusion.

We need to re-establish the bond between sex and marriage/procreation. The sexual attraction is a primitive program geared to procreation. By harnessing the sex drive to marriage and family, Christian Western culture has humanized it. This is for the benefit of men, women, children, and society as a whole. For our own sake, we need to return to our cultural roots.

Birthgap: The Inconvenient Truth for Collapsing Fertility
Reviewing the best documentary made about the birth decline that threatens the human species

https://yuribezmenov.substack.com/p/birthgap-documentary-low-fertility (https://yuribezmenov.substack.com/p/birthgap-documentary-low-fertility)

"The birth gap is the delta between how many babies are born and how many adults turn 50 in a year. If the numbers are equal, that means a population will remain stable. However, many developed nations like Italy are facing 50% gaps. In 20 years, there will be half the amount of new workers relative to new pensioners they will need to support.

Societal half life and population decay map out how quickly nation will contract based on various levels below-replacement fertility rates. Most of Europe and East Asia are facing extreme collapses. South Korea's population will halve in a generation. The death spiral accelerates when more tax burdens are placed on dwindling young people to pay for retirees pension benefits, instead of raising their own families."

Last two articles about marriage outrageously good

Hit it right out of the park. Do you havea bitchute page? They tend to not be so controlled and might not be one you'd get sanctioned on like Youtube. if you were on Youtube uncensored you'd have millions of viewers.

Beautiful young women think that they will stay that way, Henry.

But they will age.

They should enoy being young and pretty, of course, because it is lovely.

But they shouldn't base their whole lives and their relationships with men on something so transient.

When ageing starts, that sense of power (and it IS a sense of power) evaporates it is quite a shock.

All formerly beautiful women will know exactly what I mean.

Sex would have been perfect if we had been given a way to "turn off" the sex drive. Origen castrated himself, but that seems a little excessive.

The heart has a mind of its own, but so do the endocrines. IMO, the vast majority of people should never reproduce. Primarily because they're idiots.

I wish to God that my parents had never reproduced. IMO, humanity should have stayed on the land, kept its numbers small, and cared for the soil as though our lives depended on it. Because they do. Unfortunately, humanity has chosen to do the exact opposite and is now paying the price.

RH said (August 9, 2023):

I like this statement. Without marriage, there is that sex drive and the energy to fulfill that sex drive can be distracting, expensive and time wasting.

When we marry, we at least believe we have found someone who accepts us for who we are. We are more at peace, then.

I would think this is true for both sexes.

So, instead of pursuing new sex partners, marriage allows one to focus on business, career, home building, raising children, and community activities that build a bigger life.

One may even learn that sex is not the only thing, but just one thing of many things in our lives.

Maybe it brings us maturity.

Keep up the great work.

Glad to be back visiting your wonderful website..what a breath of fresh air! Just wanted to offer you a word of encouragement--your latest piece on "Sexual Attraction is our Stupidest Instinct" is outstanding, completely agree. However, I would say that "lust" is our stupidest instinct, not sexual attraction itself. Uncontrolled lust.

I believe our "sexual attraction" to the opposite sex is by design. It gets us going with the end game being love and marriage and children, a little "chemistry" can help in the beginning, middle and end of one's monogamous journey. Sometimes I wonder how common chemistry really is. "Hooking up" seems so unromantic and unscientific to boot!

When I was in my early 20s, I'm 53 now, "Is there any chemistry" was what my mom would say after dates. I remember one very embarrassing time when she actually said to my friend and me, "Well I guess there isn't any chemistry here." It was true. There wasn't any "chemistry" but we had a nice friendship and it was nice.

Anyway, I love this topic Henry--been married 21 years now and we have a 21-year-old daughter.
I look forward to catching up on your ideas..I'm printing your articles off and reading them one by one

As I look back, I never got anything good out of fornicating. There's always a payback with a bad result. I wrote an article about sex before marriage and all of the results do not work out. In fact, anything that does not have good moral standards is going to be a disaster. If it ever is going to be fixed, there should be more of an emphasis in teaching basic morality to the children at an early age.

Recognize a Freemason by His Brainwashing

by David (henrymakow.com)

You are acting like "John The Baptist" or the "Voice In The Wilderness", as the average person in western society has already succumbed to almost total satanic mind control due to the constant barrage of propaganda and mind control programming they are exposed by the mainstream media.

FYI, I knew a person that worked for [Jewish mogul] **Ronald Perleman**

(https://en.wikipedia.org/wiki/Ronald_Perelman) many years ago. He informed me that Donald Trump would visit with Ronald Perelman wearing a yarmulke, and acting like Ronald Perelman's errand boy, basically kissing Perelman's ass during his visits.

Also, I believe there is far more behind the Epstein scandal than most people realize. The involved personalities are into various other activities in government and business that most people are not aware of.

Keep up the good work exposing Freemasonry. Most people believe that Freemasons are nice people that do good works like the Shriner's hospitals, etc.. Anyone trying to expose the Freemasons for what they really are is attacked and ridiculed. Also, Freemasonry is an excellent "Judas Goat" into all levels of western civilization's Christian societies. Unlike any attempts by organized Jewish Zionists to make a direct injection into and direct influence on western civilization, which would generally be rejected by most people. Freemasonry is generally presented to the general public as a "Christian" organization.

I am probably within months of being the same age as you (76.) And, I can now tell if someone is a Freemason after speaking with them for a while based on how they repeat the brainwashing they received at their local lodge. I also now know how to ask certain questions to make such a determination without coming out directly and asking them which lodge they belong to. If these people think I am one of them, they have a complete personality change and act like someone with DIDS or multiple personality disorder, and begin to exhibit a completely different personality in my presence.

I have been cheated every which way you can imagine over the years in business and in my career activities by these Masonic and Jewish Zionist criminals. I am now like a dog that has been kicked too many times so that I know who the enemy is. Most of the lower level useful, but mindless "goyim" in this organization are simply not very intelligent people. But they are greedy, and they develop a sense of great importance even though they are generally weak minded morons, simply due to the gradual but extensive brainwashing they receive as they are going through the various degrees in Freemasonry.

However, the members that make it to I believe the 19th degree or higher are informed that Lucifer is the god of Freemasonry, and the writings of Albert Pike confirm the fact that Lucifer is the god of Freemasonry.

I also suggest that you present some information on Giuseppe Mazzini, as he was not only a cohort of Albert Pike, but he also started the Sicilian Mafia in Europe. Yet, Giuseppe Mazzini was in fact a member of the European aristocracy, and he was the most responsible person for the expansion of Freemasonry in Italy, and elsewhere in Europe after his connection with Albert Pike.

I predict that by July of 2027 it will be clear to the majority of people that both civil unrest/civil war and WW3 are a very near future reality, if not a total reality by then. Right now most people unfortunately don't believe this is possible.

The USA does not have the manufacturing capabilities we once had, and we cannot support a sustained war due to a lack of our once great manufacturing base. We also have a very large Fifth Column in the USA now, which consists of a large number of foreign military personnel in the USA illegally, acting like refugees seeking a better life. These foreign military personnel will be directing sabotage operations, as well as outright attacks on US citizens in the not too distant future, etc..

Freemasonry is the Source of Corruption

May 13, 2026

Left, "Freemasons are generally people that have the souls of sheep."

"There is tremendous inefficiencies in western society's corporate and government institutions because of the generally unqualified layered Masonic personalities in these institutions, along with the gender and racial personnel government mandated quota fulfillment in these same corporate and government institutions."

by David (henrymakow.com)

Keep up the good work at exposing Freemasonry.

If you haven't already, please obtain a copy of Manly P. Halls books, and in particular his book entitled:

The Secret Teachings Of All Age - Manly Hall OCCULT FREEMASONRY MAGIC KABBALAH

If anyone has any questions about the occultic satanic nature of Freemasonry at the higher levels, all one has to do is read through Manly P. Hall's above listed book.

Freemasons are generally people that have the souls of sheep, and could not ever achieve what they have in their lives without becoming the eyes, ears, and errand boys for the ranking members of the Illuminati by selling out and committing evil against their fellow citizens. These weak minded people should read the Protocols of the Learned Elders of Zion if they wish to know what lies ahead for them once there is a world government in place.

Most corporate entities and government agencies are run by Freemasons. And, they have been placed in these positions not because they are the most qualified people, but because they will do what they are told to by the higher level members of Freemasonry and Illuminati in general, and these people are generally the most corruptible.

There is tremendous inefficiencies in western society's corporate and government institutions because of the generally unqualified layered Masonic personalities in these institutions, along with the gender and racial personnel government mandated quota fulfillment in these same corporate and government institutions. This tremendous inefficiency in both the corporate and government institutions could not exist without fiat currency, and the ability to simply issue money out of thin air used to bailout these institutions every so often. If western societies were to operate solely on merit and qualifications, we would not have the debt situation all western governments (and individuals) are now carrying, and we would have true competition in business, resulting in a much better quality of life for every person alive today.

Also, referring to the article on Aliens, I suggest that you watch videos on the Anunnaki on Youtube.com. The ultimate purpose behind the Alien disclosure is for the average person to accept the coming anti-Christ as the true savior and messiah of Mankind. The Anunnaki will claim to be the creators of Mankind, when in fact they are the fallen angels of Genesis Six, as in the Book of Genesis in the Torah.

We are most definitely on the verge of WW3, and the complete destruction of western civilization, leading to a one world government under the anti-Christ.

Please, also continue to expose Donald Trump. I suggest that you do some research on how many extreme leftist politicians Donald Trump had donated money to before he was President of the USA. To the best of my knowledge he has never donated money to a conservative political campaign ever. For example, Donald trump has donated to both Bill and Hillary Clinton's campaigns, he also donated to Kamala Harris' state level campaigns, and he has donated to Rahm Emanuel, etc..

Masonic Iran Participated in the WHO COVID HOAX

Iran's participation in the COVID Hoax tells me the current war is a charade. Iran is being portrayed in the Communist Jewish Western media as offended party rather than the main obstacle to Israeli domination of the Middle East.

Did Iran vaccinate its citizens during the COVID pandemic? Dis it fully participate in the worldwide response?

by GROK 4
(henrymakow.com)

Yes, Iran vaccinated its citizens during the COVID-19 pandemic, though coverage was initially slow and reached moderate levels compared to many other countries.

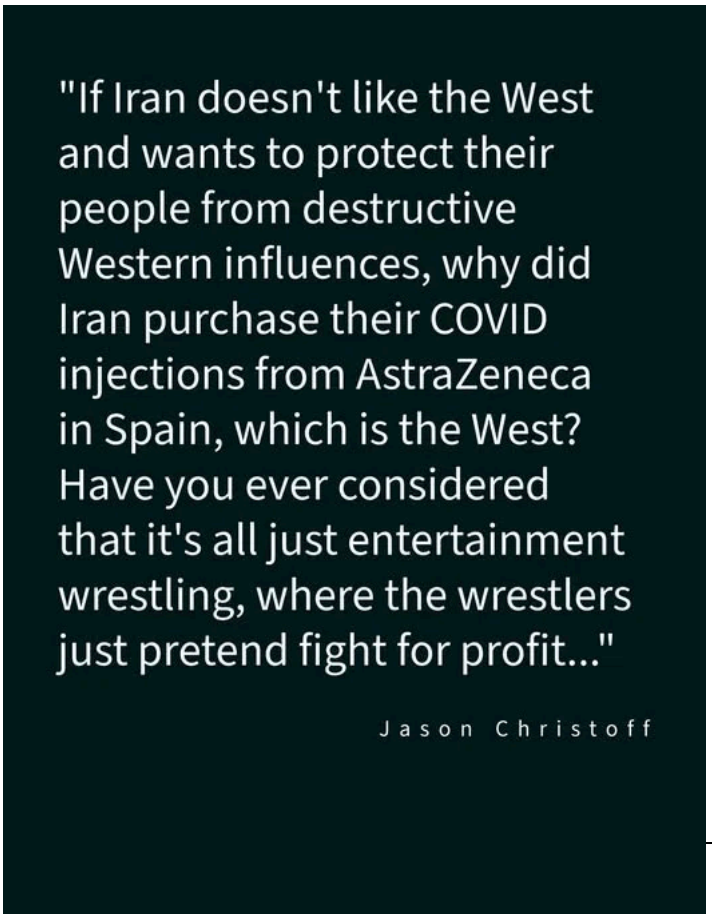
Vaccination Campaign Details---Iran launched its vaccination drive in February 2021, prioritizing healthcare workers, the elderly (over 65), and high-risk groups. It relied heavily on imported vaccines (especially China's Sinopharm, which made up the bulk) alongside Russian Sputnik V and others, plus limited COVAX supplies. Domestic production (e.g., COVIran Barekat, which Supreme Leader Ali Khamenei received) supplemented this but played a smaller role overall.

By late 2021, Iran had fully vaccinated around 50% of its population. Coverage improved over time. By December 2022 (roughly 2.5 years in), Iran administered over 155 million doses to about 65.9 million people (roughly 74-77% of the ~85 million population received at least one dose; second-dose coverage was around 69-70%). Doses per 100 people reached ~175 by late 2023.

Some vaccine hesitancy existed (driven by concerns over side effects, distrust, conspiracy theories, and access issues), but overall uptake was significant, especially among adults.
health-providers.ir
Iran produced several domestic vaccines and eventually reduced imports as local supply grew, though none of its homegrown options received WHO approval.
iranintl.com

Yes, Iran participated in the WHO-led global response, including as a self-financing member of the COVAX facility.

Participation in WHO/COVAXIran was a self-financing participant in COVAX (not an AMC/low-income recipient) and received multiple shipments of vaccines (e.g., AstraZeneca batches starting in April 2021, Sinopharm, and donations channeled through the facility from countries like Japan, Italy, and Germany).



"If Iran doesn't like the West and wants to protect their people from destructive Western influences, why did Iran purchase their COVID injections from AstraZeneca in Spain, which is the West? Have you ever considered that it's all just entertainment wrestling, where the wrestlers just pretend fight for profit..."
Jason Christoff

It received over 10 million doses via COVAX overall, plus additional humanitarian buffer doses for refugees. WHO collaborated with Iran's Ministry of Health on deliveries, training, risk communication, genomic sequencing, and adverse event monitoring.

Broader cooperation included WHO support for Iran's response, though the country also pursued bilateral deals (heavily with China) due to sanctions and other factors.

In summary, Iran ran a national vaccination program with substantial (though not universal) coverage and engaged with the WHO/COVAX system while supplementing it through its own production and other imports. Its approach reflected a mix of international collaboration and domestic/self-reliance priorities amid geopolitical constraints. Data comes primarily from WHO reports, official Iranian health statistics, and independent trackers.
